

Artworks Collection

A delightful collection of tiles and borders inspired by native and abstract styles of art. Indeed, these are works of art in themselves as each piece is skilfully and individually hand-painted. Two designs also feature a subtle satin glaze.

Tiles used in this setting: JL5500 Cayman and JX5500 Monaco field tiles, JL5502 Cayman frame tile, KHP5625 Zion Multi inset, KHP5623 Zion Multi border.
