

Sands of Time

Whether looking at rocks laid down millions of years ago or watching the never-ending action of waves on a beach today, it is a simple truth that the sands of time continue to flow. And the Sands of Time collection from Original Style, inspired by the World Heritage Coastline near to the company's base in Devon, England, is a selection of intricately sculpted, hand-painted borders and tiles that cannot fail to impress.

DEVONIAN PEBBLES* KHP5645

SILURIAN PEBBLES* KHP5646

CALEDONIAN* KHP5642

CAMBRIAN* KHP5643

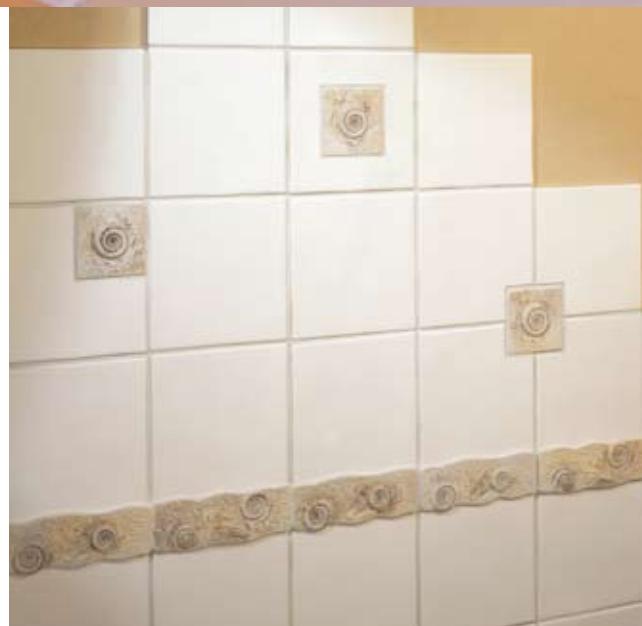

PERMIAN INSET* KHP5644

Approximate Dimensions:

(Back of) Pebble Borders:
200 x 38mm (8" x 1 1/2")

(Back of) Fossil Borders:
200 x 55mm (8" x 2 1/4")

Fossil Inset Tiles:
100 x 100mm (4" x 4")

Tiles used in these settings –

Main picture: MJP5500 Kalahari and MKL5500 Sahara field tiles, KL5921 Sahara quarter round trim, KHP5645 Devonian and KHP5646 Silurian borders.

Above: MKB5500 Matt Marrakech field tile, MKB5502 Matt Marrakech frame tile, KHP5644 Permian inset, KHP5642 Caledonian and KHP5643 Cambrian borders.

* Each of the borders can be rotated 180° to reveal a second design, which can increase the pattern repeat to 4 tiles wide.
