

Floral Garland

TUBE-LINED FLOWER TILES – Tube-lining is a method of decorating glazed tiles developed by the tile makers of late Victorian England. It requires a high degree of skill, as the outline of each design is piped on to each individual tile. Different coloured translucent glazes are then applied – again by hand – to the separate areas of the design to create miniature works of art. Background colour is Clematis.

Tiles: 100 x 100mm (4" x 4")

Tiles used in this setting
 KB5900 - Clematis gloss field
 KN5910 - Crabapple gloss trim
 KN5903 - Crabapple gloss triangle
 KK5903 - Foxglove gloss triangle
 5960/5969 - Floral Garland tube-lined tiles
